## Napa Valley

### Cuvée 38 RED WINE 2012

Wine Spots Napa Valley Red Wine is a classic Bordeaux-styled wine, exhibiting the strength and structure of Old World varietals with the finesse and floral signature of Napa Valley. This is an expressive wine, with dark cherry, cassis, and blackberry flavors that are enhanced by French oak aging, further contributing to the balance, silky tannins, and lingering finish.

Situated on the 38th parallel, the Napa Valley enjoys a dry Mediterranean climate, creating vintage-to-vintage consistency that is ideally suited for Bordeaux varietals. The Cuvée 38 captures the distinctive characteristics of this famed parallel in a traditional Right Bank Bordeaux blend comprised of Merlot, Cabernet Sauvignon, Cabernet Franc, and Malbec. The result is a true expression of the distinctive characteristics of Napa Valley and Old World varietals.

#### THE NAPA VALLEY

The Napa Valley is widely considered one of the top wine regions in the world. Though small in size, the Napa Valley consists of 14 appellations with unique micro-climates and varying soils, offering ideal winemaking conditions. A combination of maritime climate, mountain and valley topography and varying soil conditions combine to offer ideal conditions for growing a broad range of grape varietals.
